## SOMERS TOWN COFFEE HOUSE

Our award-winning pub is four venues in one and is the perfect hidden gem for your events, both large and small.

We have a mix of eclectic private spaces as well as a traditional timber clad British pub. We can cater for groups as small as 2 right up to 100 people. Ideal for celebrations, personal occasions, and corporate events.

We serve food all day and as well as our daily menu we have several packages to make booking an event clear and transparent.

Because we are an independent business, we can make changes to cater for all dietary requirements and our team are hands on to help and make your event memorable.

Bookings can be as simple as just running a tab and enjoying a few social drinks right through to a full three course private dining.

At our heart we are a pub and open to all.
